Proceedings of the Madras Government, Financial Department,
7th October 1874.

No. 52. Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Honorable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 29th September 1874, No. 442:—

The Civil Leave Code, 2nd Edition, page 207, does not require that the medical certificate to proceed on leave shall state the place in India or out of India to which the sick person is recommended to be sent.

2. This must be an accidental omission because a knowledge of it is of great importance in disposing of a case, and I have the honor to recommend that the rule be altered as under:—

I consider the state of health of C D to be such as to render leave of absence to — (name the place) for a period, &c.

No. 53. ORDER THEREON, 7th October 1874, No. 1698.

As an officer applying for leave, or extension or commutation of leave, on medical certificate, must produce a certificate from his immediate medical attendant in the form given at page 205 of the Civil Leave Code, and as such certificate is intended to show whether the medical attendant recommends the officer *to proceed to sea or to such other place as he may think proper*, the Governor in Council sees no necessity for making the alteration suggested by the Surgeon-General in the certificate to be given by him, as prescribed on page 207 of the Code.
