Proceedings of the Board of Revenue, dated 25th June 1874, *No.* 1585.

Read the following letter from H. SEWELL, Esq., Acting Collector and President, Local Fund Boards, Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ramandrug, 12th May 1874, No. 145:—

I have the honor to forward, for your sanction, the accompanying plan and estimate, duly countersigned, for constructing a Chuttrum at Garladinna, in the Anantapur Taluq.

2. The work is estimated to cost Rupees 3,120, and had been provided for by the Gooty Circle Board in the current year's budget. But the Board of Revenue, in reviewing the budget, struck out the work for want of funds, while the provision for constructing two other Chuttrums at Adoni and the Toongabadra bank was allowed to stand (*vide* paragraph 56 of the Board's Proceedings, No. 592, dated 16th March 1874).

3. The Gooty Local Fund Board, in their Proceedings, No. VII., dated 15th April 1874, copy of which is herewith sent, request the immediate execution of the Chuttrum in question in lieu of the one proposed to be built at Adoni, as the former is reported to be of urgent importance.

4. The Vice-President further states that the village Garladinna is in the middle of the road between Pamdy and Anantapur, and the want of a public resting place at that station is very much felt by the travellers who use that road.

5. Copy of the Resolution passed by the Circle Board at a meeting held on the 16th March 1874, approving of the plan and estimate of the Chuttrum, is also enclosed.

Enclosures Nos. 3 and 4.—Extracts from Proceedings of Local Fund Board.

—

The estimate is signed only by an Assistant Engineer. It should be signed by the District Engineer in token that he has seen it, and it will accordingly be returned.

2. In re-submitting the estimate, the President will be good enough to report on the amount of accommodation supplied for the various classes. There seems to be none for Pariahs unless they turn Christian, and even then there is not enough for more than two or three. He will also state if the Local Fund Board intend to apply for any land under the Endowment Rules.

Secretary.
