Proceedings of the Board of Revenue, dated 19th August 1874, *Mis. No.* 5639.

From A. MACGREGOR, Esq., President of the Local Fund Boards, Malabar, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Calicut, 30th July 1874, No. 155.

At the request of the Superintendent-General of Vaccination, the Local Fund Board of the Calicut Circle, in their last meeting, having sanctioned a monthly extra allowance of Rupees five for the vaccinator attached to the Wynaad Taluq, I request the Board will be pleased to sanction the same.

2. The extra allowance is necessary to induce people to Wynaad, owing to its sickly climate.

The Superintendent-General of Vaccination will be requested to inform the Board how many vaccinators are employed in Wynaad and on what pay.

(Signed) J. GROSE,
Secretary.

From Surgeon-Major J. SHORTT, M.D., Superintendent-General of Vaccination, Madras Presidency, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madras, 3rd September 1874, No. 1,147.

IN acknowledging the receipt of the Proceedings of the Board of Revenue, dated 19th August 1874, Miscellaneous No. 5,639-155, I have the honor to inform you that one 1st-class vaccinator works in the taluq of Wynaad in the Malabar District. One man is perfectly inadequate to meet the wants of a large and increasing European population scattered over the taluq which is so extremely sickly that it is difficult to get men to serve in Wynaad.

2. Last year I had the honor to request the President of the Local Fund Boards of the Malabar District to take into consideration the feasibility of employing two Superintendents of Vaccination to the district, and two vaccinators to each taluq, but this measure does not appear to have met with acceptance; notwithstanding the permanent staff of vaccinators, seven temporary vaccinators had to be employed during the past year, and already, during this year, fourteen temporary vaccinators have been employed; this itself shows the actual necessity for the permanent increase of the staff.

3. At present two temporary 2nd-class vaccinators are at work in Wynaad, and I would beg to suggest that there should be two 1st-class vaccinators permanently posted to this taluq; their salaries would be 18 Rupees each, and they should receive the extra allowance of 5 Rupees as a special case, as conceded to other departments whilst working in Wynaad.

Proceedings of the Madras Government, Financial Department,
14th October 1874.

THE proposal of the Calicut Local Fund Board to give the vaccinator attached to the Wynaad Taluq an extra allowance of Rupees 5 a-month will be submitted for the favorable consideration of Government.

2. The President's attention is called to the remarks of the Superintendent-General of Vaccination on the necessity of strengthening the vaccination establishment in the district.
