No. 118.

INDIA OFFICE, LONDON,
10th September 1874.

MY LORD,—Frequent representations having been received from the different Government Departments in India of the inconvenience caused by the late arrival of the Packing Accounts of Government Stores, I have made the following arrangements for their despatch in future, which will, I trust, remove all ground for complaint.

2. A packing account, showing the nature of the stores, quantities, and weights of packages, will be forwarded by the Brindisi mail following the sailing of the steamer or sailing ships conveying the stores to India.

3. In order to despatch these packing accounts at the early date named, it is found necessary to prepare them in a different form from that hitherto used, but they will contain all the information that is required by the officers in India who are concerned in the discharge of the cargoes, the landing of the stores, and the examination and survey of the various packages, &c.

4. These original packing accounts should be retained in India.

5. The duplicate packing accounts, prepared on the form hitherto in use, will be forwarded by a subsequent mail, and should be returned to this country with the remarks of the Committee of Survey, or of the officers who may receive the stores, inserted in the columns left for that purpose.

I have, &c.,
