No. 16 Read the following Proceedings of the Board of Revenue, dated 19th January 1874, No. 327 (Miscellaneous) :—

Read the following letter from H. E. SULLIVAN, Esq., President of the Local Fund Boards, South Arcot District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 12th December 1873, No. 491 :—

The Inspector of Schools, Presidency Division, having represented in his letter,* dated 31st October last, No. 1448, that the appointment of a third Inspecting Schoolmaster to the Virdachellum Circle is essential for the further extension of elementary education by Results system, the Local Fund Board have passed the following resolution :—

* Copy enclosed.

"Read letter from the Inspector of Schools, No. 1418, dated 31st October, recommending a third Inspecting Schoolmaster for this Circle." Carried three against two dissenting.

2. I request that the sanction of Government may be obtained for the entertainment of an additional schoolmaster on a salary of Rupees 25 per mensem.

From J. T. FOWLER, Esq., Inspector of Normal Schools and Presidency Division, to the Vice-President, Local Fund Board, Virdachellum Circle, dated Madras, 31st October 1873, No. 1448.

I have the honour to forward a statement showing the progress made in the circle, during the quarter ended the 30th ultimo, in bringing elementary schools under improvement.

2. The increase in the Virdachellum Range, under Inspecting Schoolmaster K. Krishna Iyer, was considerable, amounting to twenty-nine vernacular schools and 774 pupils. One Inspecting Schoolmaster, it will be observed, had, at the close of the quarter, exactly 100 schools under him, and the other ninety-one. For the further extension of the system in the circle the appointment of a third Inspecting Schoolmaster is, I think, essential.

3. On the whole there was an increase of forty schools and 1014 scholars in the circle during the quarter. The increase in the Cuddalore Circle during the same period was fifty-seven schools and 1340 pupils. In that circle there are three Inspecting Schoolmasters at work.

Submitted for the favourable consideration of Government.

2. The statistics of "Results Schools" signed by the Inspector, Mr. Fowler, show that a third Inspecting Schoolmaster is wanted. The number of schools under inspection increased between the 31st March and the 30th November from 151 to 191, and the number of pupils from 3396 to 4410.
