No. 124. Read the following letter from J. HOPE, Esq., President of the Municipal Commissions, Kurnool, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Cumbum, 2nd October 1874, No. 369 :—

With reference to G.O., dated 20th March 1874, No. 477, reviewing the budget estimates of the Cumbum Municipality, and calling on me to report upon the claim the Civil Dispensary has to a contribution from Government of twenty-five per cent. of the Medical Officer's salary, I have the honor to forward copy of a letter I have received from the Vice-President on the subject, and to state that I concur with him (for the reasons given) in considering the dispensary fully entitled to the contribution in question.

From H. R. FARMER, Esq., Vice-President of the Cumbum Municipal Commission, to J. HOPE, Esq., President of the Cumbum Municipal Commission, dated Cumbum, 29th September 1874, No. 132.

In reply to your letter, unnumbered and dated this day, I have the honor to report that, as the Medical Officer in charge of the Civil Dispensary, Cumbum, is also in charge of the Police Hospital, visits the Subsidiary Jail, and keeps a diary, as required by Section 5 of the Subsidiary Jail Rules, embodied in G.O., No. 894, dated the 28th May 1869, makes *post mortem* examinations, and attends Officers of Government in the absence of the Dresser attached to the Head Assistant Collector's Office, I think it reasonable that Government should, if pleased to do so, make a contribution of twenty-five per cent. towards his salary.

2 In the absence of a Government contribution, Government officials at Cumbum, when I am absent in camp and when the Hospital Assistant is unwell, have, in accordance with the marginally-noted Government Orders, to pay the medical officer in charge of the Civil Dispensary for attendance on them. This very much increases the hardship of being at such an unhealthy station.

No. 125. ORDER THEREON, 16th October 1874, No. 1756.

Twenty-five per cent. of the pay of the Medical Subordinate in charge of the Cumbum Dispensary will be met from Provincial Funds in future.

Sir,

In reply to your letter unnumbered and dated this day, I have the honor to report that as the Medical Officer in charge of the Civil Dispensary Cumbum, is also incharge of the Police Hospital, visits the Subsidiary Jail, and keeps a Diary, as required by Section 5 of the Subsidiary Jail rules, embodied in G. O. No. 894 dated the 23rd May 1869, makes post mortem examinations and attends officers of Government in the absence of the Coroner, attached to the Head Assistant Collectors office, I think it reasonable that Government should, if pleased to do so, make a contribution of

of 25 percent towards his salary.—

2. In the absence of a Government contribution, Government officials at Sumbawa when Dam absent in Camp and when the Hospital Apintant is unwell, have in accordance with the marginally dated Government Orders to pay the Medical Officer in Charge of the Civil Dispensary for attendance on them. This very much increased the hard ship of being at such an unhealthy station.—
