3. The third is the balance of the estimate, and should be allotted to complete the work within the year.

4. The fourth is on the 19th mile of the road from Palghaut *via* Alatoor and Vatacancharry to Vaniampara, and the fifth on the 12th mile of the Paumben road, No. 13, on the Madura coast. The whole of the planks of the above bridges are damaged and unfit for use.

5. The sixth is for re-building the fallen bridge at the 12th mile of the road from Condotty to the foot of the Carcoor Ghaut.

6. The estimates for the above works have been approved by the Local Fund Board of this Circle at their last meeting, and they are, herewith, forwarded for sanction.

7. The provision under Petty New Works and Repairs for the current year has been already exhausted, while a third of the year has yet to expire.
