Read again—

Proceedings of the Board of Revenue, dated 23rd May 1874, *No.* 3429 (*Mis.*).

From H. SEWELL, Esq., Acting Collector and President of the Local Fund Boards, Bellary, District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ramandroog, 8th May 1874.

With reference to paragraph 15 of the Proceedings of the Board of Revenue, No. 592, dated 16th March 1874, I have the honor to submit for your sanction duly countersigned, the accompanying plan, estimate, &c., for the construction of a Civil Dispensary at Hospett.

2. The work is estimated to cost Rupees 4,830, and the provision to the extent of Rupees 5,000 has been made in the current year's Budget on account of the same.

3. Copy of the resolution of the Bellary Local Fund Board passed at a meeting held on the 1st April 1873, approving the plan and estimate of the work, is herewith sent.

The plan will be forwarded to the Surgeon-General with the request that he will advise the Revenue Board as to its suitability, remembering that the means of the Local Fund Board are very limited.

Secretary.

Proceedings of the Board of Revenue, dated 7th July 1874, *No.* 1717.

From Surgeon-Major G. BIDIE, M.B., Secretary to the Surgeon-General, Indian Medical Department, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 5th June 1874, No. 3428.

I have the honor, by order, to acknowledge receipt of the Board's Proceedings, No. 3429, of the 23rd May 1874.

2. In reenclosing the plan on which it has been proposed to construct the Civil Dispensary at Hospett, I am directed to mention that it is so very dissimilar in form from that which Government has advised to be imitated that the Surgeon-General suggests that the Local Fund Board reconsider their resolution.

3. A copy of the plan suggested by Government is enclosed.

ENCLOSURE No. 1.—Plan.

In submitting the plan the President should have explained why no attempt has been made to follow the Standard Plan approved in G.O., Public Department, 8th October 1872, No. 1136, reducing the accommodation with reference to the means at the disposal of the Local Fund Board, and should have stated exactly

what accommodation the building is intended to provide, *e.g.*, how many beds are to be placed in each ward. He will now do so.

Secretary.

From J. H. MASTER, Esq., Collector of Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 19th September 1874, No. 342.

With reference to the Proceedings of the Board of Revenue, No. 1717, dated the 7th July 1874, I have the honor to forward, duly countersigned, a revised plan and estimate, &c., for constructing a Civil Dispensary at Hospett, and to request that you will be good enough to obtain the sanction of Government for the same.

2. The present plan has been prepared on the standard design approved by Government in their Order, No. 1136, dated the 18th October 1872.

3. The estimated cost of the building, as per accompanying estimate, is Rupees 7,000, but it should be increased to Rupees 7,250, the difference being the probable cost of two small rooms to be built in the verandah for bath or store-rooms, as shown by dotted lines on the plan.

4. The main building is to contain one large ward, 20×15 feet, for four beds, one small ward, 12 × 15 feet, for two beds, and a dispensary 12 × 15 feet.

The out-houses consist of a cookroom, two bath-rooms, and two latrines, which the District Engineer states are probably all that are required at present. The site for out-houses which may be built hereafter is indicated on the plan.

There being a large well in the vicinity of the selected site another within the compound is not considered to be necessary.

5. The Budget contains a provision of Rupees 5,000 for the proposed work, and early sanction is desirable for the utilization of that amount before the close of the current official year.

6. Copy of the Proceedings of the Local Fund Board of the Bellary Circle, No. 5, of the 8th September 1874, approving of the plan and estimate, is herewith sent.

Enclosure No. 1.—Revised Plan.

Enclosure No. 2.—Estimate.

Enclosure No. 3.—Specification Report.

Enclosure No. 4.—Extract from Proceedings of Local Fund Board.

The plan and estimate for building a dispensary at Hospett, at a cost of Rupees 7,000, will be submitted for the sanction of Government.

2. It is noted that the estimate should be increased by Rupees 250 for two small rooms in the verandah.
