Proceedings of the Madras Government, Financial Department,
20th October 1874.

Read the following papers:—

No. 149. From P. SOMOOSOONTHRUM CHETTIAR, President of the Board of the Trustees of Patcheappah Moodelliar's Charities, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 30th September 1874, No. 354.

From the interest drawn from the Accountant-General on Chedumbarum, &c., Charity Funds for the half-year ending 1st August 1874, commission to the amount of Rupees 287-1-7 was deducted by that officer, pursuant to the Table of Fees published in page 1104 (b) of the *Fort St. George Gazette*, dated 21st July 1874. These Funds being of a purely charitable character, the Trustees pray the Government will be pleased to exempt them from the above deduction, as was done by them in regard to income tax, or that the rates of fee may be reduced.

2. The Government Securities constituting these Funds have been in the custody of the Accountant-General for upwards of thirty-three years, and the granting of the half-yearly order for interest has become a mere matter of simple routine, entailing little or no labor on the Accountant-General's Office.

Referred to the Accountant-General for his report.

(Signed) D. F. CARMICHAEL,
Acting Chief Secretary.

MEMORANDUM.

No. 150. The undersigned has the honor to state that the deduction of Rupees 287-1-7 from the interest of the Funds referred to was made in accordance with the Table of Fees to be demanded and received by the Officers of the High Court of Judicature at Madras, published at pages 1104 (a) and (b) of the *Fort St. George Gazette* of the 21st July 1874, but that it rests with the Government to exempt these Charity Funds from liability to such a deduction. When the Income Tax Act was in force, the tax was deducted from the interest of these Funds, but was afterwards refunded upon certificates of the Collector of Income Tax. It is quite true that the trouble caused to this office in granting the half-yearly order for interest is inappreciably little.
