Surgeon
OFFICE OF INSPECTOR-GENERAL, I. M. D.,

From Surgeon
INSPECTOR-GENERAL EDWARD BALFOUR,
Surgeon
*Inspector General of Hospitals,*

To

The Chief Secretary to Government
Public Department

SIR,

I have the honor to solicit that the Right Honorable the Governor in Council will be so good as to move the Presidents of Municipalities and Local Fund Boards, to furnish the Financial state-ments of Mofussil Dispensaries for 1873, and future years, at as early a date as possible.

2. These statements reach me through the Medical Officers in charge of the Dispensaries, and I beg to append a list showing the very late dates at which some of the statements for 1872 came to hand. All of these were called for twice or oftener, and yet, it will be observed, that nine of the documents were not received till November, while two came to hand in December 1873. With regard to the Trichinopoly

Statements

statement, I have to report, that it has been four times called for, and twice returned for correction, and that, at the present date, it is with the Trichinopoly authorities, for revision.

3. The delay in furnishing the 1872 statements has caused great inconvenience, by preventing, hitherto, the completion of the report on Dispensaries for that year. With the view of facilitating the preparation of the financial returns in future, I am having prepared at the government press a number of blank forms, which will be duly issued to dispensaries. At the same time, I would again solicit that the Mofussil authorities be directed to furnish these statements, as early as possible, after the termination of each Calendar year, so as to enable me to forward my annual report on the dispensaries, punctually.

I have the honor to be,
Sir,
Your most obedient Servant,

Edward Balfour Surgeon General.

Surgeon General.
