No. 211. Read the following Proceedings of the Board of Revenue, dated 9th October 1874, No. 2945:—

Read the following letter from W. S. FOSTER, Esq., Acting Collector of the Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 12th September 1874, No. 329:—

THE Acting Head Assistant Collector urges the necessity of extending the provisions of the Canals and Ferry Act (I. of 1870) to the Kumaradevam Ferry, in the Yernagudem Taluq.

2. At present people cross the Godavery on Sangadies (palmyra rafts), but as means of conveyance over the Godavery, these have proved in many cases to be dangerous.

3. The ferry in question is like the Tallapudy and other ferries adjacent to it, and to which the provisions of the Act were extended.

4. The Head Assistant Collector proposes that the ferry in question be leased out annually like others.

5. There has already been an application presented to the Head Assistant. I have, therefore, the honor to recommend the Head Assistant Collector's proposal for the favorable consideration of the Board and Government, that the provisions of the Act should be made applicable to the ferry in question.

6. A list of tolls to be levied at the ferry and the usual notification are sent herewith.

7. I propose the ferry to be established from Fasli 1285, to avoid loss to the present Contractors of the neighboring ferries.
