Proceedings of the Madras Government, Financial Department, 23rd October 1874.

No. 220. Read the following letter from J. C. LOCH, Esq., President of the Municipal Commission, Madras, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 16th October 1874, G. No. 352 :—

I have the honor to forward, herewith, in accordance with Section 18 of the Madras Municipal Act, IX. of 1867, for publication in the *Fort St. George Gazette*, a Statement of Receipts and Disbursements of the Municipality from 1st April to 31st July 1874, and of the Water Distribution Project up to 31st July 1874, together with the Minutes of the Proceedings of the Commissioners at a general meeting held on the 31st August 1874.

2. The only resolution* to which I have to call particular attention is the third, and in doing so I am instructed to submit, for the favorable consideration of the Right Honorable the Governor in Council, whether it will not be desirable for Government to legislate for the purpose of regulating and restricting the sale of poisons throughout the Presidency, rather than to confine such legislation to the town of Madras.

* "That the Proceedings of a meeting of the Committee appointed to consider the question of restricting the sale of poisonous drugs be approved, and that Government be requested to legislate for the purpose of regulating and restricting the sale of poisons in Madras. That Bombay Act VIII. of 1866 be taken as the basis of such legislation, but that the Commissioners are of opinion that one general license of moderate amount will be sufficient in place of the ordinary and special licenses provided by that Act."

No. 221. ORDER THEREON, 23rd October 1874, No. 1823.

Ordered that the Statement of Receipts and Disbursements and Minutes of the Proceedings of the Commissioners be published in the *Fort St. George Gazette*.

2. The President will take care that such Proceedings and Statements are submitted in future with less delay than has occurred in the present instance.

3. The question of the unrestricted sale of poisonous drugs is now under the consideration of Government.
