Budget Estimate

Read the following ~~letter~~ from the Accountant General, dated 17th October 1874.

Order thereon 26 Oct. 1874 No. 1832.

The Budget Estimate of charges of the Accountant General's Office for 1875-76, amounts to Rs 2,09,030 - against Rs 1,96,957 the actuals for 1873-74, and Rs 2,03,090 - the grant for 1874-75.

Sal

2. The cause of the actuals in 1873-74 being low is ascribed to Junior Officers having held the appointment of Deputy on the promotion of the present Accountant General.

3. There are, as usual, slight

slight differences in the pay of the establishment consequent on the annual increments being added to the estimate for each year.

4. In the present estimate the increments amount to Rs 2,223.

5. The requisite deduction has been made from the pay of the Accountant General on account of subscriptions towards his annuity.

6. From the estimate for 1874-75, a deduction of Rs 12,460 was made for "probable savings". Rs 5,940 will be deducted from the estimate for 1875-76, and the charges fixed at Rs 2,03,090, which will be entered in the Civil Budget under

Administration

"Administration" — Rs 2,00,000
"Law and Justice" — 3,090.
