Proceedings of the Madras Government, Financial Department,
27th October 1874.

No. 237. Read the following Proceedings of the Board of Revenue, dated 9th October 1874, No. 2942 :—

Read the following letter from R. K. PUCKLE, Esq., President of the Local Fund Boards, Tinnevelly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Courtalam, 3rd September 1874, No. 435 :—

In reply to Government Proceedings, No. 1,386, dated 20th August 1874, I have the honor to inform you that we have already discharged our education obligations for the year to the extent of Rupees 8,000 as result grants; we still have Rupees 3,000 to meet demands as they come in; and when the whole allotment of Rupees 11,000 is exhausted, we propose deferring further payments till the 1st April next; this will occasion no real inconvenience, as the bulk of the schools are examined late in the official year, and many of the bills will not come in till the end of March or beginning of April.

2. The subject was discussed at the last Local Fund meeting, and the enclosed resolution shows what is proposed to be done. Of course, it behoves the Local Fund Board to provide larger and larger allotments for education in future, in the Budget for 1875-76 upwards of Rupees 20,000 will have to be provided against Rupees 11,000 for 1874-75.

Proceedings of the Local Fund Board of the Tinnevelly Circle, dated 26th August 1874.

Present.

Kumarasami Naik of Ottapidaram.

Read correspondence between Vice-President and Inspector of Schools relative to the expenditure of the remaining allotment for education.

2. Resolved that bills for result grants be paid as they come in, to the extent of the Rupees 3,000 remaining in hand, and that the bills received after this year's allotment is spent be set aside for payment on 1st April next, a sufficient allotment being made in next year's budget to cover the deficiency for this year as well as next year's requirements.

(Signed) R. K. PUCKLE,
President.

Submitted to Government, with reference to G. O., dated 20th August 1874, No. 1,386.

2. The allotment for Results Grants this year is evidently insufficient, and the transfer from the General Fund to the Road Fund should not have been proposed.

Read 27 Oct 1874 No 1835

The Previous letter is (recd unpaid) acknowledged.

It will be seen with regret that any further delay in the receipt of the Budget Grant for Educational purposes would result in a serious embarrassment of the operations of a portion of the establishment of the Local Fund Schools.
