No. 276. Proceedings of Government, 30th October 1874, No. 1856.

From information received from the Accountant-General it appears that the actual opening balance of the Convict Labor Fund on the 1st March 1874 was Rupees 2,39,250, and adding to this Rupees 50,000, the estimated receipts of the year as shown in the Budget rendered to the Government of India, the assets of the year will amount to Rupees 2,89,250. The large amount standing to the credit of the fund is due to the fact that, in recasting the accounts of Provincial Funds and Special Funds under the Government of India Resolution, dated 17th April 1873, No. 2452, full credit has been given to the Convict Labor Fund for receipts, while the whole charges on account of Jails have been debited to Provincial Funds.

2. The assignment under Provincial Services for Jails, for the current year, having been made before the separation of the Convict Labor Fund from Provincial Services had been completed, and having proceeded on the assumption that the balance of the fund in question would be available for the purpose as an integral portion of Provincial Funds, the Governor in Council resolves now to direct, in supersession of G.Os., dated the 20th July 1874, No. 1207, and 24th August 1874, No. 1410, that the annexed estimate, of which an abstract is given in the margin, be adopted as the Convict Labor Fund Budget Estimate for 1874-75.

Jail Charges	1,58,880
	2,39,636

Total ...	2,89,250

3. According to this estimate the allotments for Jails—Provincial Service—will be reduced by Rupees 1,58,880, and the Public Works Provincial Service Budget for 1874-75 will be relieved of a sum of Rupees 35,962, available for redistribution on Provincial Works, to which the Governor in Council directs that an addition of Rupees 1,25,000 be made from Provincial Funds for 1874-75, which will bring up the amount placed at the disposal of the Public Works Department to Rupees 11,75,000, as contemplated when the General Provincial Service Budget was prepared.

4. The twenty-four lakhs allotted in the Budget will then be distributed as follows:—

	Rs.

advantage was taken of this opportunity to telegraph to the Accountant General for accurate information about the Convict Labour Fund.

The papers given in the previous orders appear to have been taken from the latest accounts rendered by the Accountant. But on looking into them I was satisfied that in this as in other instances his "approximate" returns are very wide of the mark.
