Book Department.

With reference to G.O., Judicial Department, No. 1196, dated 31st July 1873, I have the honor to forward, herewith, copies of the Proceedings of the Board of Revenue noted in the margin, relative to the Permanent Advances to be allowed to Officers of the Revenue Department. Proceedings of the Board of Revenue, dated 16th October 1873, No. 2120.

Read again Board's Proceedings, dated 16th December 1871, No. 5060, and 5th April 1872, No. 533.

Read also the following letter from F. LUSHINGTON, Esq., Accountant-General, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Fort St. George, 15th August 1873, No. 4318 :—

With reference to the Orders of Government noted in the margin, copies whereof are herewith sent, I have the honor to state that Revenue Officers exercising magisterial functions have no separate Permanent Advances other than those given to them as Revenue Officers, and beg, therefore, to inquire whether the Board see any objection to the advances of the Joint and Head Assistant Magistrates, Tahsildars, and Deputy Tahsildars being raised as proposed by Mr. Sullivan.

No. 999, dated 27th June 1873, Judicial Department.
No. 1196, dated 31st July 1873, Judicial Department.

Enclosure No. 1.—G.O., dated 27th June 1873, No. 999, Judicial Department.

Enclosure No. 2.—G.O., dated 31st July 1873, No. 1196, Judicial Department.

In their first Proceedings above recorded, the Board called upon the several Collectors to report what additions to the Permanent Advance Funds of the several officers in the districts were necessary, in consequence of the then impending changes in the system of franking letters and covers to be sent by post.

2. Only eleven out of twenty-one Collectors replied to this requisition, and the results of their recommendations were embodied in a statement appended to Board's Proceedings, dated 5th April 1872, No. 533. The increases recommended by the Collectors were sanctioned, but subject to further report after experience of their necessity.—*Vide* paragraph 4 of Proceedings above quoted.

3. These further reports are yet due from eight districts.* Meanwhile the Accountant-General asks, in his letter above recorded, if the Board have any objection to increase the Permanent

Advance Funds of local officers vested with magisterial functions, who have no separate funds for the purpose, so as to meet the batta and other expenses payable to complainants and witnesses in criminal cases under the terms of Government orders quoted by him.

4. From what has been stated in the preceding paragraphs it will be observed that the question raised by the Accountant-General cannot be decided without further reference to Collectors on the extent of their respective requirements.

5. Collectors are, therefore, requested to send tabular statements, in the form annexed, by the 15th November 1873 at latest, showing the Permanent Advance Funds now held by the several officers of the Revenue Department, the orders sanctioning the same, and the additions proposed, to cover the Postal charges and the Magisterial charges referred to by the Accountant-General.

6. In making their proposals Collectors will bear in mind that, generally, it is undesirable to increase Permanent Advances, and that in the case of officers who are also in charge of treasuries any material increase is wholly unnecessary. Collectors will at the same time weigh carefully the requirements of the several officers, and make their recommendations as far as possible final. All increases hitherto sanctioned and recommended will merge in the proposals now to be made.

7. As the subject is an important one, the Board desire that the lists now called for may be submitted without fail by the date prescribed.

in view to provide for the payment therefrom of all contingent charges including Postal and Magisterial.

2. The Collector of Ganjam includes in his statement the Permanent Advance Fund allowed to the Overseer of the Gumsur and Suradah Forests, as well as to the Conservators of the Ports of Ganjam, Gopaulpore, and Calingapatam. The Permanent Advance Fund of the Forest Officer has been separately sanctioned in the Board's Proceedings, dated 12th February 1873, Forest No. 7, and the Board have nothing to do with the amounts advanced to the Conservators of Ports. The amounts will, therefore, be struck off.

3. In Vizagapatam and Tanjore it is proposed that the Treasury Deputy Collectors should have an advance of Rupees 60 and 50, respectively. The Treasury Officers being personal assistants to the Collectors it is not necessary that they should have separate funds to meet contingent charges. The amounts proposed for them will be added to the sums provided for the Collectors who are at liberty to allow such sums to the Treasury Deputy Collectors as may be required.

4. The Collector of Bellary provides for the Permanent Advance Fund to a Cantonment Magistrate. The amount has been excluded, as the Cantonment Magistrate is not under the orders of the Board.

5. With the above exceptions the proposals of the Collectors are approved, and the accompanying Statement A shows the amounts sanctioned to each officer in each district.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 16th October 1873.

Read again Board's Proceedings, dated 16th December 1871, No. 5,060, and 5th April 1872, No. 533.

Read also the following letter from F. LUSHINGTON, Esq., Accountant-General, Madras, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Fort Saint George, 15th August 1873, No. 4,318:—

WITH reference to the orders of Government noted in the margin, copies whereof are herewith sent, I have the honour to state that Revenue Officers exercising Magisterial functions have no separate permanent advances other than those given to them as Revenue Officers, and beg therefore to inquire whether the Board see any objection to the advances of the Joint and Head Assistant Magistrates, Tahsildars, and Deputy Tahsildars being raised as proposed by Mr. Sullivan.

ENCLOSURE No. 1.—G. O., dated 27th June 1873, No. 999, Judicial Department.

ENCLOSURE No. 2.—G. O., dated 31st July 1873, No. 1,196, Judicial Department.

IN their first Proceedings above recorded the Board called upon the several Collectors to report what additions to the Permanent Advance Funds of the several officers in the districts were necessary in consequence of the then impending changes in the system of franking letters and covers to be sent by post.

2. Only eleven out of twenty-one Collectors replied to this requisition, and the results of their recommendations were embodied in a statement appended to Board's Proceedings, dated 5th April 1872, No. 533. The increases recommended by the Collectors were sanctioned, but subject to further report after experience of their necessity—*Vide* paragraph 4 of Proceedings above quoted.

3. These further reports are yet due from eight districts.* Meanwhile the Accountant-General asks in his letter above recorded if the Board have any objection to increase the Permanent Advance Funds of local officers vested with Magisterial functions, who have no separate funds for the purpose, so as to meet the batta and other expenses payable to complainants and witnesses in criminal cases under the terms of Government orders quoted by him.

* Bellary, Kurnool, Madras, Coimbatore, Salem, Trichinopoly, South Canara, and Malabar.

4. From what has been stated in the preceding paragraphs it will be observed that the question raised by the Accountant-General cannot be decided without further reference to Collectors on the extent of their respective requirements.

5. Collectors are therefore requested to send tabular statements, in the form annexed, by the 15th November 1873 at latest, showing the Permanent Advance Funds now held by the several officers of the Revenue Department, the

orders sanctioning the same, and the additions proposed, to cover the Postal charges and the Magisterial charges referred to by the Accountant-General.

6. In making their proposals Collectors will bear in mind that, generally, it is undesirable to increase permanent advances, and that in the case of officers who are also in charge of treasuries any material increase is wholly unnecessary. Collectors will at the same time weigh carefully the requirements of the several officers, and make their recommendations as far as possible final. All increases hitherto sanctioned and recommended will merge in the proposals now to be made.

7. As the subject is an important one the Board desire that the lists now called for may be submitted without fail by the date prescribed.
