Proceedings of the Madras Government, Financial Department, 6th November 1874.

No. 38. Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 29th October 1874, No. 396 :—

Budget Department.

With reference to Proceedings of Government, No. 1142, dated 8th July 1874, Financial Department, I have the honor to enclose copy of Proceedings of the Board of Revenue, No. 7478, dated the 27th instant, together with its enclosure, being a statement showing the probable expenditure during 1874-75 of the two taluqs recently transferred from the Central Provinces to this Presidency.

2. The actual expenditure of this Presidency during the first six months of the current year under the heads noted in the margin being within a moiety of the grant for the entire year the expenditure of the transferred taluqs under those heads of service can be met from Savings.

	Grant for the year.	Six months' actuals.
	RS.	RS.
Excise	2,55,000	1,15,434
Stamps	1,60,000	67,725
Law and Justice ...	37,06,000	18,29,002

3. Under the other heads there is no probability at present of any savings occurring the six months' actuals exceeding the proportionate grant for the period; but, seeing that the additional provision required under these heads of expenditure is comparatively very trifling, I would suggest that the question of supplementing this Presidency grant on account of the transfer from the Central Provinces of the Budrachellum and Repully Taluqs be deferred till January or February 1875, when the working of the Budget grants under the several heads would enable this department to point out more definitely to Government the source from which any deficiencies might be met.

	Grant for the year.	Six months' actuals.

Refunds	2,50,000	2,07,896

Proceedings of the Board of Revenue, dated 27th October 1874, *No.* 7478 *(Miscellaneous).*

Read official memorandum from the Accountant-General, dated 20th October 1874, No. 6435, Budget Department, requesting to expedite the despatch of the statement showing what expenditure will have to be incurred on account of the two taluqs recently transferred from Central Provinces to this Presidency.

The statement called for in the Accountant-General's letter, dated 13th July 1874, No. 3299, is herewith forwarded.

Refunds.—Rupees 4,600 are estimated under Land Revenue though there were no refunds under this head in 1873-74. The Collector does not explain why such a large amount is required for 1874-75. The provision appears large, but, as it is possible that refunds have already been made to a large extent, the provision will be retained. The Collector will, however, explain why a large provision is made.

Remittance Accounts, Department of Public Works.—The Collector provides Rupees 24,000 under this head for 1874-75 but does not give particulars of the amount. It may, however, be retained subject to explanation.

The other items do not call for remark.
