No. 89. Read the following Proceedings of the Board of Revenue, dated 7th November 1874 :—

Read the following letter from W. S. FOSTER, Esq., Acting Collector of the Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 23rd October 1874, No. 379 :—

It has been brought to my notice that the tappal runners between Bhadrachellum and Wuddigudem have not been paid their salaries from April last, when they were transferred here with the new taluqs. The Tahsildar of Bhadrachellum reports that the Sub-Inspector of Post-offices of the Chanda Division always sent a monthly bill to the Deputy Commissioner of the Upper Godavery District, and he paid the tappal runners and other establishment. The Tahsildar, therefore, never sent me the pay-abstracts. Wherever the money may come from, the men should be paid, and I have directed the Tahsildar to pay the men at once from his Treasury. I, therefore, request that the Board will approve of my action, and authorize me to pay the men till further orders, or till the District Post Establishments are reorganized.

2. The Dawk Fund collections in Bhadrachellum Taluq amounts to Rupees 100-8-0 in 1873-74.

3. The budget provides Rupees 7,625 for the District Post Establishment and Saderwarid in this district, and there is a saving of Rupees 1,013.

4. The monthly cost of the Post Establishment in the Bhadrachellum Taluq is as per margin, and I have told the Tahsildar to prepare the pay-abstracts and pay the men at once, forwarding the abstracts to me.

Constable at Kunavaram for doing post work	3	8	0
Delivery Peon at work	7	0	0
Contingencies	1	0	0

5. I must remark that the expenditure on District Tappal in the Bhadrachellum Taluq should not come out of the amount sanctioned for this district, as this taluq has not yet been transferred to the Godavery District.

6. If the Board agree with me in thinking that the savings of this district should not be spent on the new taluq, I wish to make some proposals to utilize the amount within the current official year, and I request that the Board will, therefore, pass early orders on the subject.

Submitted for the sanction of Government.

2. As there are funds available from the allotment to the Godavery District on account of District Post, and as the full assignment transferred from Imperial to Provincial Services has already been allotted for expenditure, the Board are of opinion that the charges on account of the Bhadrachellum Taluq should be met from the savings of the Godavery District, any extension of postal
