No. 95. Read the following Proceedings of the Board of Revenue, dated 3rd November 1874, No. 7662 (Miscellaneous):—

Read the following letter from W. McQUHAE, Esq., President of the Local Fund Board, Madura, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madura, 16th October 1874, No. 109:—

I have the honor to request sanction for the employment of three additional vaccinators of the first class in the Madura Circle from the beginning of the year 1875-76. The pay of each vaccinator of this class is Rupees 18, and provision has been made in the Budget for the additional expenditure, which will amount to Rupees 648.

2. The present establishment consists of a Superintendent with six first class and twelve second-class vaccinators, and sanction for two additional second-class vaccinators has already been applied for (*vide* Revenue Board's Proceedings, dated 24th September 1874, No. 2747); the total establishment for next year will, therefore, be a Superintendent with nine first class and fourteen second-class vaccinators.

3. The population of the Circle is 1,246,400, and this establishment does not appear more than sufficient; indeed, till lately the actual establishment was larger, for private vaccinators were employed both in Ramnad and Shevagungah. In the last official year the number of successful operations fell from 26,193 to 15,824, and the Local Fund Board feel that the present state of the Vaccine Department in their Circle is far from satisfactory.

Submitted for the favorable consideration of Government.
