No. 107. Read the following Proceedings of the Board of Revenue, dated 3rd November 1874, No. 7661 (Miscellaneous) :—

Read the following letter from Colonel R. M. MACDONALD, Acting Director of Public Instruction, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George (through the Board of Revenue), dated Madras, 5th October 1874, No. 1850 :—

I have the honor, with reference to G.O., No. 42, of the 14th January 1874, and No. 1490 of the 4th September, to solicit the Orders of Government regarding the Puttucottah Girls' School in the Tanjore District.

2. The school was started on the 22nd November 1865, and supported by subscriptions for several years. From the 1st April 1872 to the 31st March 1874 it was taken over and maintained by the Local Fund Board and also received the results-grants noted in the margin.

	Rs.
1869-70	58
1870-71	63
1871-72	112

The establishment is at present as follows :—

	Rs.	A.	P.
Master	9	0	0
Mistress	5	0	0
Female Servant	0	12	0
Contingencies	0	4	0
Total ...	15	0	0

The master, who has been connected with the institution since it was first started, is now about fifty, and is described as a fair Tamil scholar and a good teacher. He is assisted by his daughter, who is seventeen, and who seems quite capable of teaching reading, writing, and Arithmetic, although she knows nothing of Geography. There are thirty-five girls on the rolls of the school which is conducted in a very satisfactory manner.

3. When the Local Fund Board took charge of the school, they received Rupees 750, which was originally collected from the supporters of the institution, and this sum has been invested for the benefit of the school.

4. The supporters of the school, the President of the Local Fund Board, and the Inspector of the Division, recommend that the school be taken over and maintained as a Government Institution. As no fees are levied, the school cannot be continued, if it is to depend on results-grants alone, and the friends of the school do not wish to place it on the salary-grant system, there being apparently no body of subscribers prepared to afford the institution that permanent support which the salary-grant system requires.

5. Mr. Bradshaw recommends that the school be taken over by Government, and that the following establishment be sanctioned retrospectively from the 1st April :—

	Rs.
Master	10
Mistress	5
Servants and Contingencies	1
