FORT WILLIAM, *the* 14*th October* 1874.

Read the following:—

No. 933, dated 28th December, 1869.

Office Memo.—*By* MAJOR GENL. H. W. NORMAN, *Secy. to the Govt. of India*, MILY. DEPT.

In reply to Financial Department memorandum No. 4215,* dated 20th October 1869, enquiring whether a medical officer holding one of the appointments the salaries of which are laid down in Government General Order No. 370 of 1867, should, during absence on leave in India under the furlough rules of 1854, be granted absentee allowance under Government General Order No. 953 of 1864, or under para. 9 of Government General Order No. 370 of 1867, the undersigned has the honor to state that the rule laid down in para. 9 of Government General Order No. 370 of 1867 is in supersession of all former rules on the subject. Accordingly a medical officer holding one of the appointments laid down in that order would, if in military employ, receive the absentee allowance admissible under that rule, provided it was not less than the pay of his grade. If it was less than his grade pay, he would be allowed pay on the new scale and half staff, *plus* the sum required to make his total receipts equal to his grade pay. In elucidation of this, an example is given in the margin.

* Enclosures returned.
