PROCEEDINGS OF THE BOARD OF REVENUE, dated 2nd March 1874.

Read again Board's Proceedings, dated 11th November 1873, Miscellaneous No. 7,657.

Read also the following letter from J. B. PENNINGTON, Esq., President of the Local Fund Board, Trichinopoly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 14th November 1873, No. 48:—

WITH reference to paragraph 3 of the Proceedings of the Board of Revenue, Miscellaneous No. 7,657, dated 11th November 1873, I have the honour to inform you that the Public Works Department have no objection to give up the bungalows under their charge to the Local Fund Board. The bungalows will be left open for the use of all travellers as well as officers of all departments, both within and without the district.

2. The district officers would certainly not agree to keep up the bungalows for the use of the public and other officers of Government, and the simplest plan seems to me to allow the Local Fund Board to keep them in repair and charge a fee for their occupation.

3. Apart from the fact that several of the bungalows are frequently used by the general public, and most of them by Inspecting officers of all the departments under Government, the Local Fund Board of this district are of opinion that it is quite worth their while to keep the bungalows in repair for the use of the officers employed in the construction and repair of local roads; for, though it is true that such officers are provided with tents, it is quite certain that they will avoid going out as much as possible during such weather as we have at this time of year, (when, moreover, it is most important that they *should* go out), unless they have a roof over their heads; and, even if they do go, it is impossible for them to move when their tents get wet.

4. I trust, therefore, that Government will allow the Local Fund Board of this district to keep the bungalows in repair in the interest of the public service.

SUBMITTED for the orders of Government.

2. The Trichinopoly Local Fund Board have applied for the eight bungalows named in the margin to be handed over to them "to be kept in repair from Local Funds for the benefit of the district officers." Six of them are now used as store-sheds by the Public Works Department, one is a range officer's residence, and one is kept by the Collector and his Assistants.

willing to give up the bungalows, and the President reports that they are. The Board further called attention to the propriety or otherwise of imposing a charge on the Local Fund for bungalows to be used exclusively by the officers of the district; but the President urges that use is, and will be, made of them by the general public, and the Local Fund Board think it quite worth their while to keep up the bungalows for the sake of the officers employed in the construction and repair of roads, who would otherwise stop at home in the weather when inspection is most wanted.

4. The Board think there is a great deal of force in the President's reasoning, but they cannot support his proposal in the face of G. O., dated 5th July 1873, No. 935.

FOR ORDERS.

These Bungalows - in the
Arcot Collection - a letter to
have been already transferred
to the P. W. Dept as an
Advance - the last as there
stands. It should be ascer-
tained from the D.P.W. to what

from what they have really been
sent - & whether they are
really Departmental
papers - books - If they are
they might be made avail-
-able for the Departments -
None of the Civil Ships seem
to me of a character which
would justify by there being

transferred to the Local
Fund - if maintained as
Warships they should
be treated as Provincial -
but I do not see that
much is being Expedient

Papers should be referred
