Proceedings of the Madras Government, Financial Department, 6th February 1874.

No. 50. Read the following Proceedings of the Board of Revenue, dated 14th January 1874, No. 241 (Miscellaneous):—

Read the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Nellore, 15th December 1873, No. 1085:—

An Educational Durbar has been proposed to be held at Nellore during the current month, a prospectus of which will be found published in the District Gazette of 23rd August last, page 296, in which full details are given.

2. The proposal, emanating from the Inspector of Schools, 2nd Division, was brought before the Local Fund Board in July last, and, as it will be observed from Resolution No. 54 of 1873-74, the Local Fund Board approved of the same on the ground that the stimulus afforded by such a competitive examination would be of great benefit to both masters and pupils, and the Local Fund Board at the same time sanctioned an allowance being made to meet the cost of the masters and pupils travelling to Nellore, and of prizes.

3. The scheme has since been matured, and the Deputy Inspector of Schools, Nellore, with his letter of the 28th ultimo, No. 637, submitted a statement* showing that Rupees 415-4-0 may be approximately estimated as the expenditure attending the arrangements, and solicited sanction to incur this expenditure.

* Copy enclosed.

4. The Local Fund Board at their last meeting sanctioned† this amount out of the only balance available, viz., that under Grant III., Sanitation, amounting to Rupees 800 nearly, after deducting the amount required for the estimates sanctioned in Resolution, No. 105, already applied for.

† *Vide* Resolution, No. 107 (copy annexed).

5. I have the honour to request the Board of Revenue will accordingly be pleased to transfer this item of Rupees 415 from "Grant III., Sanitation," to "Grant II., Education, Union Charges," as the Accountant-General has directed that all charges in connexion with schools should appear under Grant II.

6. Mr. Fortey, the Inspector of Schools of this Division, is at present in Nellore with the object of superintending the examinations on the 22nd instant, and, under the circumstances, I have authorized the disbursement of the actual expenditure in anticipation of the formal transfer now solicited.

———

The proposed transfer of funds is sanctioned, but the application should have been made in time for the scheme to be examined on its merits.
