Proceedings of the Madras Government, Financial Department,
30th November 1874.

No. 184. Read the following letter from W. McQUHAE, Esq., President of the Municipal Commissions, Madura, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Dindigul, 6th November 1874, No. 66 :—

With reference to paragraph 3 of the G.O., dated 15th September 1874, No. 1564, Financial Department, I have the honor to state that no contribution was paid by the Local Fund Board, Madura Circle, for the expenses of the Dispensary at Madura, under the ruling of Government contained in paragraph 1 of the G.O., dated 29th May 1872, No. 705, Financial Department, to the effect that no contribution should be sought from Local Funds as long as the endowment of the institution nearly suffices for ordinary charges. I also submit copy of a Resolution of the Local Fund Board, No. 3, dated 21st April 1873, refusing to pay the contribution for the above reason, but they promised to contribute to the cost of erecting new buildings. They have accordingly resolved to pay one-third of the cost of the new dispensary now under construction at Madura, which will amount to about Rupees 6,000. A sum of Rupees 3,000 was provided for the purpose in the budget of the Circle for 1875-76.

III. Read letter from the Vice-President, Madura Municipality, asking the Local Fund Board to contribute to the Madura Dispensary.

The Government, in their Order, dated 29th May 1872, No. 705, on the municipal budget for 1872-73, observe that the endowment of the Madura Dispensary nearly suffices for the ordinary charges, and that in future, while these remain the same, no contribution should be sought from Local Funds ; the Board are, therefore, not prepared to pay any portion of the ordinary charges, though they are willing to contribute to the cost of erecting new buildings. On correct principles a portion of the proceeds of tolls should go to Local Funds.
