No. 6. Read the following letter from G. DUNCAN, Esq., Secretary to the Commissioner for the Uncovenanted Civil Service Examinations, to the Hon. D. F. CARMICHAEL, Acting Chief Secret. to Government, Fort St. George, dated Madras, 24th November 1874, No. 432 :—

With reference to paragraph 6 of the Order of Government, dated 6th instant, No. 1879, Educational Department, passing orders on the budget estimates of this office for 1875-76, I have the honor, by direction of the Commissioner, to state that, owing to unforeseen causes, it has not been possible to move the office from the Fort, where it is now located, to the Secretary's private house, as was contemplated in the G.O., dated 28th September 1872, No. 276, Educational Department; and so long as the office remains where it is, the present establishment will be required.

2. Putting the Rupees 600 house-rent against the Rupees 816 saved by the contemplated reductions, there would be Rupees 216 less outlay in the cost of the establishment; but, as the clerk to be dispensed with is eligible for a pension of Rupees 20 per mensem, there would be really no gain to the public funds by making the change. When the opportunity offers, it is intended to take advantage of the G.O., 28th September, as a means of facilitating the very heavy work of a confidential nature which has periodically to be done by the Secretary, aided by the Manager; and this was what was intended to be conveyed by the remark concerning which Government have called for explanation.
