Proceedings of the Marine Department, No. 4 (Pay and Allowances), dated 3rd September 1873, regarding the claim of Captain W. Madge, late Commander of the Steamer *Ava*, and at present Commander of the *Dolphin*, to pay as an unattached commander of the Bengal Marine from the 28th September 1872 to the 15th January 1873, being the interval between the loss of his former command and his nomination to his present command.

Resolution.—In Financial Resolution, No. 2417, dated 31st July 1871, the propriety of forming a classified list for officers of the Marine Department was suggested, in order to obviate the hardship to such officers of being discharged or left without allowances whenever their services are not required by reason of vessels being put out of commission, &c. Pending the further consideration of this proposal, the Governor-General in Council is now pleased to sanction, subject to the approval of the Secretary of State, the grant to any officer of the Marine Department who is temporarily out of employ, and whom it is not considered proper in the Marine Department to discharge, such allowances not exceeding Rupees 200 a-month, and also not exceeding three-fourths of the pay of the last substantive appointment which he held, as may, in the Marine Department, seem proper.

Order.—Ordered that a copy of the foregoing Resolution be forwarded to the Marine Department,* with an intimation that this rule may be applied to the present case, and also retrospectively to those of Captain Falle† and Mr. King,‡ and of any other officer who has suffered as these officers suffered during the last three years.

Ordered, also, that this Resolution be communicated to the Accountant-General, Bengal.
