No. 12. Read the following Proceedings of the Board of Revenue, dated the 2nd November 1874:—

Read Proceedings of the Madras Government, Financial Department, dated the 20th October 1874, No. 1793, considering the practice obtaining in the Chingleput District of exhibiting under "Special Funds" any balance or assignment made from "Imperial Funds" objectionable and ordering that the same may be put a stop to.

Communicated to the Collector of Chingleput.

2. The Board are not aware that it has been the practice in the Chingleput District to exhibit under "Special Funds" any balance or assignment made for works from "Imperial Funds" which was not regularly transferred to be credited to those Funds.

3. With regard to the sum of Rupees 20,000 sanctioned in G.O., Financial Department, dated the 13th August 1873, No. 1139, from the Salt grant for clearing the Cochrane's and Sadras Canals, it is observed that the Controller of Public Works Accounts reported in his letter recorded in G.O., Financial Department, dated the 30th July 1874, No. 1259, that the amount was fully expended by the Public Works Range Officer in 1873-74 and that the Civil Department was debited with the outlay in his Exchange Account with the Accountant-General. Neither the receipt nor the expenditure of the sum appears in the Special Fund accounts submitted to this office.

4. With regard to the provision of Rupees 20,000 in the current year's Canal Fund Budget, the Board have only to remark that it must have been made by the Collector in anticipation of the regular transfer of the amount to the credit of the Canal Fund as the question of the transfer was then under the consideration of Government. The matter, however, has since escaped notice.
