No. 26. Read the following Proceedings of the Board of Revenue, dated 21st November 1874, No. 3344 :—

Read the following letter from L. VENKATAPPIAH, Salt Deputy-Collector, to W. S. FOSTER, Esq., Acting Collector of the Godavery District, dated Cocanada, 13th October 1874, No. 59 :—

WITH reference to the Board's Official Memorandum, 15th ultimo, No. 1,477, I have the honor to report on the state of Salt Roads in the district.

2. In addition to the roads constructed in the Pennuguduru Salt station up to the end of the official year 1872-73, I have made several roads around the Salt pans and platforms during the last official year 1873-74, at a cost of Rupees 2,528, so that we have now got roads to all the platforms at Pennuguduru. The only thing that remains to be done is to gravel these roads, and for this, I have included in the next year's Budget Rupees 5,000. A sum of Rs. 1,500 sanctioned in the current year's Budget, will be spent now in gravelling some of these roads, and the others will be gravelled early next year.

No. 360.

FORWARDED to the Secretary to the Board of Revenue, with reference to his Official Memorandum, dated 15th ultimo, No. 1,477.

COCANADA. (Signed) W. S. FOSTER,
14th October 1874. *Acting Collector.*

THIS report affords no information as to the state of the approaches to the Salt Works. The Collector will be good enough to submit a rough plan showing the roads at the Pennuguduru and Mogultur Salt pans and explaining how they are connected with the general road system of the country.

2. An explanation should be afforded of the reason why no report on the state of the Salt Roads has been received from the Godavery District since the report for 1870-71.
