ADVERTING to the accompanying Proceedings of the Local Fund Board, No. 119, dated 29th July 1874, I have the honor to submit, herewith, a survey and estimates*, etc., amounting to Rs. 7,500, for constructing Road No. 36 from Lalgudi to Kukur and Yedaiyathimangalum to the north bank of the Coleroon River; and an estimate* for forming a junction road from the Combaconum Road to Coleroon south bank for Rupees 640.

* 1 Survey.
2 Estimates.
3 Estimates for masonry works.
3 Plans.

2. The former line will commence from Lalgudi and proceed in a south-west direction as far as the Kistnapuram Channel, from which point the road will run almost due south till it joins the bank of the South Iyen Channel, where it branches off east and west along the north bank of the South Iyen Channel to Yedaiyathimangalum and Kukur, respectively.

3. The villagers adjoining this line have agreed to carry out the earthwork at their own cost; and if the line be completed, it will be very useful to several important villages west of Yedaiyathimangalum also.

4. Rupees 3,000 have been allotted for this work in the current year's Budget under Item No. 5, and the villagers have very nearly completed the earth-work.

5. With regard to the latter, the line is intended to connect the former with the south bank of Coleroon and Road No. 2 (Combaconum Road), which again is connected with a new railway feeder to Tiruvarambur Station (No. 2 in the Budget).
