No. 92. Read the following letter from A. WEDDERBURN, Esq., President of the Local Fund Board, Coimbatore, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Narasipuram, 28th November 1874, No. 17:—

Government in their Proceedings, No. 605, dated 17th April 1874, sanctioned the conversion of the subsidiary jail hospital ward at Bhowany into a general ward. There was a local Medical Subordinate there; the subsidiary jail ward, from the scarcity of prisoners and their short sentences, was never used; and it saved the expense of erecting an hospital in that small town.

2. I lately reported* to Government the very unsatisfactory state of the town of Mettapolliem in regard to vaccination.

* *Vide* my letter to Government, No. 76, of 3rd September 1874.

3. It became impressed on the Local Fund Board that in such a place there should be a permanent vaccinator and local medical man, fevers being very prevalent. The Local Fund Board, for both purposes, appointed a qualified person, Zechariah, on Rupees 20 per mensem, on the recommendation of the Civil Surgeon.

4. Naturally, a place to keep his medicines in, or a small dispensary, and a few beds for the treatment of in-patients, if any, become a necessity; and, on a recent visit, it occurred to me that the subsidiary jail ward there might, with equal propriety to that of Bhowany, be utilized. At present, or at any time, it is not used.

5. For a few rupees, by putting a door to the half section of the ward and windows, a dispensary is formed; a few cots in the other section supply the rest; and a sufficiently convenient hospital is at once provided.

6. Should there happen to be a sick prisoner, he can now be treated by a medical man, which he could not before.

7. Soliciting the sanction of Government to this arrangement, I have the honor to be, &c.

No. 93. ORDER THEREON, 9th December 1874, No. 2062.

The Government desire further information regarding the qualifications of the "medical man" employed on a salary of Rupees 20 per mensem.

2. The President will also be informed that all applications in connexion with the Local Fund Board should be submitted to Government through the Board of Revenue.
