Proceedings of the Madras Government, Financial Department,
9th December 1874.

No. 102. Read the following letter from Lieutenant-Colonel R. H. SANKEY, R.E., Secretary to the Chief Commissioner of Coorg, Public Works Department, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, Fort St. George, dated Bangalore, 21st November 1874, No. 2674:—

In forwarding, herewith, copy of this office letter, No. 15-BC, of the 24th August 1874, and of paragraph 3 of the Government of India's reply thereto (No. 496-C of the 10th instant), I have the honor, by desire of the Chief Commissioner, to inquire, with reference to this and previous* correspondence on the subject of the proposed South Coorg road, *via* Kiggetnád towards Manantoddy, what would be the precise class and character of road that would meet the approval of the Government of Madras. If a general specification defining width of roadway, character of surface, description of bridges and drains could be furnished, it would, I am to observe, enable this Administration to deal more satisfactorily with the question in again addressing the Government of India than if left in doubt on these points.

* *Vide* this office, No. 1821, of 5th September 1873, to your address.

2. It would, I am also to observe, be desirable to know the description of work already carried out on the Wynád side for Rupees 40,767.
