Proceedings of the Madras Government, Financial Department,
10th December 1874.

Read the following papers :—

No. 109. From Colonel R. M. MACDONALD, Acting Director of Public Instruction, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 28th August 1874, No. 1515.

I have the honor to submit a letter, No. 264, of the 18th instant, from the Inspector of Schools, 2nd Division, complaining of the persistent mismanagement of the Municipal Schools at Anantapore.

2. The experience of last year shows that it will be useless to send Mr. Fortey's report to the President of the Municipality for communication to the Municipal Commissioners. It will be seen from the papers recorded in G.O., No. 57, of the 16th January 1874, that Mr. Master could not prevail on them to correct any of the abuses previously pointed out. They insisted on retaining the old and inefficient masters, and refused to levy school fees, or to abolish the Sanscrit classes.

3. Government directed that the cost of the Sanscrit classes should, from the beginning of 1874-75, be covered by fees, and should no longer form a charge on the Municipality, and apparently these classes have now disappeared ; but in other respects the schools are in a very unsatisfactory condition, and it seems to be a waste of money to maintain them on their present footing.

4. I beg, therefore, to recommend that the Municipal Commissioners be directed to close the schools ; and that, before sanction is accorded for their being reopened, a well-digested scheme be drawn up by the Municipal Commissioners, in communication with the Inspector of the Division, and submitted for approval.

Referred, for report, to the President of the Anantapore Municipality, in whom alone the power of appointing or removing the masters of Municipal Schools is vested by law.

No. 110. From J. H. MASTER, Esq., President of the Municipal Commissions, Bellary, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Goondakal, 20th November 1874, No. 119.

With reference to the Under-Secretary's endorsement, dated the 15th September last, on a letter, No. 1515, of the 28th August, from the Director of Public Instruction, to your address, forwarded to me for report, I have the honor to state that, at last, the Anantapore Municipal Commissioners have consented to dispense with the services of the old inefficient masters of the Municipal School, and to invite competent candidates.

2. I sent the whole of the papers to the Vice-President, and he forwards, in reply, a scheme for the future management of the school, which promises to work well, and which has the approbation of the Inspector of Schools, Mr. Fortey.

3. The services of the present Head Master, the Sanscrit Pundit, will be dispensed with forthwith, as there is not work for four masters.

4. A competent Head Master will be appointed when found, and the other two Telugu Masters will be allowed to remain on the condition of passing the required examination on the next opportunity.

5. I hope that the condition of the school may soon improve.

6. The Government endorsement, with its enclosure, is herewith returned, and I also beg to forward copy of the Commissioners' resolution on the subject.
