Rajahmundry 5th November 1874

From

Vice President Municipal Commission

To,
W.S. Foster Esquire
President, Municipal Commission
Godaveery District

Sir,

With reference to your letter No. 287 dated 8th October last, I have the honor to forward herewith the supplemental Budget for 1874-75 called for in Government order P. March 1874 No. 331, and to state that Mr. Morris late Civil Judge proposed a Chaultry be built in his name at a Cost of Rupees 1500 and gave two thirds (1000) before the Budget was prepared, requesting the Municipality to Contribute one third (500). This amount (1500) was included in the balance of Rupees 2612 as per the above G.O. and was not debited under the head "charges" as it was then resolved to defer the Construction to the ensuing year. The Chaultry was subsequently constructed at the aforesaid expenditure (1500).

2. Some additions and improvements are indispensably required to the Civil Dispensary and the amount Estimated by the D.P.W. is Rupees 2490. two thirds (1660) of which the Local Fund Board has been requested to Contribute,

as grant viz. Rupees 563-7-8 of the other one third (830) is spared from the Municipal Funds and the remainder (Rupees 266-8-4) from the Endowment Funds.

3. The Travellers Bungalow and its out houses are urgently in need of repairs and the estimated amount is Rupees 508-9-4 two thirds (339-11-8) of which the Local Fund Board has been requested to contribute and the other one third viz Rupees 169. 8. 4 is spared from the Municipal Funds.

4. As the unallotted balance (2233) is shown to have been appropriated to meet the preceding requirements, I request you will be good enough to obtain the sanction of Government to allow the Local Fund Board to contribute Rupees 1350 for road repairs, Rupees 1660 for additions and improvements to Civil Dispensary, and Rupees 80 for Vaccination, though passed by the Local Fund Board yet not sanctioned by Government on the ground that there has been left an unallotted balance of Rupees 2233 unspent while the Municipality are obliged to draw Rupees 266-8-4 from the Funded Capital of the Dispensary besides the expected contribution for its necessary repairs.

Sir,

I have the honor to forward copy of a letter from the Vice President of the Rajahmundry Municipal Commission giving cover to a supplemental Budget for the appropriation of the Balance of Rupees 2233 in the Budget of 1874-75, referred to in Paragraph 6 of the Government Order of March 2nd 1874 No 331.

2 Government will see that Mr. Morris, Judge of Rajahmundry, gave the Commissioners 1000 Rupees to build a Chaultry with, on condition of their giving 500 Rupees for the same purpose. This they agreed to do; but afterwards postponed the erection of it: it has however been built. The balance was shewn while the money was in hand. This Rupees 1500 will therefore have to be deducted from the balance, leaving a remainder of only Rupees 733.

3. I sent with my letter No. 110 dated 5th Instant, a letter explaining the necessity for some repairs to the Civil Dispensary. One

third of the Expence of these repairs is Rupees 830, which the Commission propose to pay, part of the General balance and part out of the Endowment fund.

4. For my part, I do not see why the Hospital should not spend its money on the repairs that may be necessary, instead of begging from others. I do not much mind the Local Fund Board giving them some money, as it can spare some: but I do object to the rich Hospital hoarding up its money, and when it wants money to spend, asking for money from the impoverished General Fund.

5. The Travellers Bungalow requires repair, it is proposed to pay one third of this from Rajahmundry Municipality.

6. The Vice President proposes.
