No. 124. Proceedings of the Board of Revenue, dated 23rd November 1874, No. 3368.

Read the following letter from W. McQUHAE, Esq., President of the Local Fund Boards, Madura, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Dindigul, 19th October 1874, No. 111 :—

I HAVE the honor to submit, for the sanction of Government, estimate, etc., as per margin, for the construction of Road No. 7, Madura to Nattam, at a cost of Rupees 26,690. A sum of Rupees 6,000 has been provided for the work for expenditure during the current year in the Statement which accompanied my letter, No. 98, of the 28th September 1874, containing proposals for utilizing the unappropriated balance of the last year.

1 Abstract Estimate for Rupees 26,690.
1 Detailed Estimate.
1 Specification.
1 Survey Plan.
1 Plan of Tunnels.

2. The road is an important one, and considerable traffic passes over it notwithstanding its bad state. A great portion of the supply of food grains and nearly the whole of the fuel consumed in the Town of Madura comes from Nattam and its neighbourhood and the adjacent Hills. The road now estimated for, which has never been made or kept up in any way, passes through several large villages and will be a great benefit to the public. The people in the neighbourhood have petitioned for it for several years, and the Local Fund Board have promised that it would be made as soon as possible.

THE estimate for constructing and improving the Road from Madura to Nattam, commencing at the Village of Appuntherupatty on the road from Madura to Alagar Covil, 16 miles long, at a cost of Rupees 26,690, will be submitted for the orders of Government after reference to the Chief Engineer.

2. On the receipt of the sanction of Government to the estimate, the Board will allot the requisite funds.
