No. 133. Read the following letter from J. STURROCK, Esq., Acting Supervisor of the Government Press, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 30th November 1874, No. 1559 :—

In forwarding the Budget Estimate of the Government Press for 1875-76 I have the honor to state that the estimate of charges for 1874-75 has been exceeded by Rupees 1,520 mainly by the employment of two Warders at the Penitentiary Press (*vide* Proceedings of Government, Judicial Department, dated 5th February 1874, No. 190).

2. The estimate of receipts for 1875-76 has been decreased by Rupees 800 owing chiefly to a decline in the sale of Acts in 1873-74 as well as 1874-75.

3. With reference to paragraph 6 of G.O. of the Financial Department, dated 30th October 1873, I have to state that the difference of Rupees 44-2-0 between the actuals as furnished by the office of the Accountant-General and those by this department is caused by the adjustment of Rupees 36-10-0 effected in the Press accounts in 1872-73 but shown in the Accountant-General's accounts in 1873-74 and to an adjustment of Rs. 80-12-0 made in the Press accounts* but not shown in the Accountant-General's accounts.

* G.O., dated 20th March 1874, No. 323, Public.

No. 134. ORDER THEREON, 14th December 1874, No. 2093.

The Budget Estimate of the cash receipts of the Government Press for 1875-76 amounts to Rupees 7,500 against Rupees 6,747, the actuals for 1873-74, and Rupees 8,300, the estimate for 1874-75. The decrease of Rupees 800 in the estimate for 1875-76 is caused by the estimated receipts from the sale of Acts, Gazettes, &c., being based on the actuals of the past year and of the first six months of the current year.

2. The charges (Rupees 1,69,882) are less than the actuals* for 1873-74 but exceed the grant† for 1874-75 by Rupees 1,520. The excess is accounted for by the addition of Rupees 1,200 for two European Warders, on Rupees 50 each, employed in the Press at the Penitentiary, and by the addition of Rupees 1,500 on account of service postage stamps and charges for freight on stores received from England.

* Rupees 1,73,656.
† ,, 1,68,362.

3. The Governor in Council is, however, of opinion that a grant of Rupees 1,68,362, as in the current year, *viz.*,

	RS.
For Establishment, &c.	1,45,862
,, value of Presses, Type, &c.	22,500
Total ...	1,68,362

will be found sufficient as not more than Rupees 4,500 of the allotment of Rupees 5,000 will be paid to the Deputy Superintendent, and savings are likely to accrue in the allotments made for purchase of materials and stores.

Proceedings of the Madras Government, Financial Department,
14th December 1874.

4. The estimate is passed for inclusion in the Provincial Services Budget, *viz.* :—

	Rs.
Receipts	7,500
Charges	1,68,362

Sir,

In forwarding the Budget Estimate of the Government Press for 1875-6, I have the honor to state that the Estimate of Charges for 1874-5, has been exceeded by Rs 1520,— mainly by the employment of two Warders at the Penitentiary Press (vide Proceedings of Government, Judicial Dept, dated 5th February 1874 — №190).

2- The Estimate of Receipts for 1875-6 has been decreased by Rs 800, owing chiefly to a decline in the Sale of acts in 1873 as well as 1874-5.

3- With reference to Para 6 of G.O. of the Financial Dept, dated 30th Oct 1873, I have to state that the difference of Rs 44-2-, between the actuals as furnished by the Office of the Accountant General and those by this Dept is caused by the adjustment of Rs 36-10-0, effected in the Press accounts in 1872-3, but shewn in the Accountant General's accounts in 1873-4 and to an adjustment of Rs 80-12-0, made in the Press accounts but not shown in the Accountant General's accounts.
