15th December 1874.

No. 145. To the Secretary to the Government of India, Financial Department, dated Fort St. George, 15th December 1874, No. 2103.

I am directed by His Excellency in Council to submit through the Government of India, as required by the Standing Orders, a Despatch to the Secretary of State, suggesting that the Furlough Rules framed under the Statute for the High Court may be altered in view of the inequality with which they bear on different Civilian Judges—as illustrated by the case of the Hon. Mr. Justice Holloway, as set forth in the Despatch.

2. The Governor in Council trusts that in forwarding the enclosure, which it is requested may be done at an early date, His Excellency the Viceroy and Governor-General in Council will be able to give the proposal made by this Government his support.
