is sanctd.

Read the following papers:—

No. 167. Proceedings of the Board of Revenue, dated 3rd December 1874, No. 3500.

Read again Board's Proceedings, dated 19th October 1874, No. 3032.

Read also the following letter from A. McC. WEBSTER, Esq., Acting President of the Local Fund Boards, Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mangalore, 9th November 1874, No. 821:—

With reference to paragraph 1 of the Proceedings of the Board of Revenue, dated the 19th ultimo, No. 3032, requesting full explanation of the necessity for the marginally-noted works, I have the honor to submit copy of a Resolution, dated 4th instant, recorded by the Local Fund Board of this Circle.

1. Widening portions of Road No. 1 from Mangalore to the Mysore frontier by the Sampaje Ghaut, between Mangalore and Panemangalore, Estimate Rs. 2,420
2. Construction of Bridges on Road No. 7 from Cumbla to Perdal ... ... Rs. 11,920

2. On reconsideration of the estimate for the first work, the Local Fund Board have requested the District Engineer to revise it.

3. With regard to the second work, it is observed that the Cumbla and Perdal road has been fully completed, and its usefulness is impaired by the road being unbridged. The Local Fund Board have at present no funds at their disposal, but propose to take up the work when funds are available. The estimate is resubmitted, and they trust it may now receive the sanction of the Board of Revenue and Government.

No. 168. MEMORANDUM.

The Chief Engineer is unable to give an opinion on Bridge Estimates without their plans. He is under the impression, however, that these estimates were prepared by Mr. Sub-Engineer Fernandez under his personal instructions at the bridge-sites; and, observing that they have been countersigned by Colonel Farewell as Superintending Engineer, 7th Division, he considers further revision unnecessary.
