No. 174. Read the following Proceedings of the Board of Revenue, dated 14th November 1874, No. 7939 (Miscellaneous):—

Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madras, 28th October 1874, No. 2020:—

I have the honor to forward the accompanying letter, No. 430, of the 17th instant, with enclosure, from the Acting President, Local Fund Board, Negapatam Circle, in order that it may be submitted to Government.

2. I beg to support the proposal to establish a Local Fund School at Keevalore. The school should, of course, be an elementary one, and English should not be taught in it without special permission.

From H. S. THOMAS, Esq., Collector of Tanjore, to E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, dated Tanjore, 17th October 1874, No. 430.

In forwarding the accompanying copy of a letter from the Vice-President of the Negapatam Local Fund Board, I have the honor to request that you will be good enough to obtain the early sanction of Government, for the establishment of a Local Fund School at Keevalore, as desired by the Local Fund Board.

2. The additional cost involved by the establishment of this school may be met from savings in the provision made in the Budget under the head "Education."

From J. CAMERON, Esq., Vice-President of the Local Fund Board, Negapatam Circle, to H. S. THOMAS, Esq., President of the Local Fund Boards, Tanjore, dated Negapatam, 8th October 1874, No. 145.

I have the honor to enclose an extract from the Proceedings of this Board, dated 2nd instant, in which they have resolved to open a Local Fund School at Keevalore, in the Negapatam Taluq, to be maintained for the remaining part of the year from the savings that might have been effected out of the provision sanctioned for the twenty schools already entered in the Budget. It is a large village containing 539 houses with a population of 2,375. It would appear from the petition* of the inhabitants that a school is very much needed; when the Budget for the current year was drawn the place was omitted through oversight, and subsequently this Board had an idea† of transferring some of the already-sanctioned schools to this place, if possible. As it is, however, desirable that those schools should be left at the places for the benefit of which they were first meant and sanctioned, and as it is necessary that a school should be opened at Keevalore without any delay, the Board have resolved to ask for Government sanction to open a new school at this village. The local educational officer, *viz.*, the Deputy Inspector of Schools, was also present in the meeting in which the proposal was unanimously passed. In his letter, No. 479, dated 30th ultimo, he proposed that the school be at once started from the 1st of this month. The Deputy Inspector proposes to employ two teachers—one on Rupees 10, and the other on Rupees 7 per mensem—as in other schools, with the usual charges for the servants, house-rent, and contingencies, which are estimated at Rupees 3. Thus the total expenditure for this school for the latter half of the year, supposing the school is opened immediately in anticipation of Government sanction, as the Deputy Inspector proposes, would be Rupees 120. I, therefore, request that you would be good enough to obtain the sanction of Government in due course, and, if you deem it unobjectionable that the school may be opened in anticipation of sanction, to sanction the appointment of Narayana Row and Subraya Moodelly as head and second teachers, respectively, as recommended by the Deputy Inspector of Schools, a copy of whose letter is also enclosed.
