No. 193. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 3rd December 1874, No. 2232 :—

I have the honor to submit a letter from the President of the Municipal Commission, Malabar, No. 33, of the 7th October last, and, at the same time, I forward a letter from Mr. Garthwaite, No. 1297, of the 29th October.

2. I am inclined to agree in the views put forward by the Inspector of Schools.

From A. MACGREGOR, Esq., President of the Municipal Commission, Malabar, to E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, dated Nillampoor, 7th October 1874, No. 33.

I have the honor to forward copy of a resolution passed by the Commissioners of the Cochin Municipality, proposing the entertainment of a sixth master, on a salary not exceeding Rupees 12 per mensem, for opening an elementary class in the Cochin Municipal School.

The Deputy Inspector of Schools was present at the meeting in which the resolution was passed and concurred with the Commissioners.

RESOLUTION.—That the President be requested to obtain sanction for the appointment of a sixth master to the Municipal School on a salary not to exceed Rupees 12 per mensem, as an elementary class in the school is considered at this meeting to be much wanted.

(True Copy.)

(Signed) A. MACGREGOR,
President.

From L. GARTHWAITE, Esq., Inspector of Schools, 6th Division, to E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, dated Mangalore, 29th October 1874, No. 1297.

In reference to your Proceedings, No. 1910, of the 13th instant, I have the honor to state that I think the addition of any elementary classes to the Middle-class School at Cochin highly undesirable. There is a want of elementary education at Cochin, but it should be met by the establishment of several elementary schools, not by trying to combine an elementary school with the existing middle-class one, which, being organized with special reference to the education, middle class and elementary, of the large East-Indian population of Cochin, is not suitable for the primary education of the Malayali population. That population is now provided with middle-class education by the Protestant Grant-in-Aid School, but no provision is made for elementary education ; although were elementary Malayalam Schools opened throughout the Municipality, large numbers of Christian and Hindus would avail themselves of them. If, in lieu of spending Rupees 150 per mensem on the proposed elementary class at the Middle class School, some 300 Rupees per annum were provided, two very good elementary Malayalam Schools might be carried on under the combined system (small stipend and result grant) now sanctioned by Government for all the three circles of the division.

No. 194. ORDER THEREON, 22nd December 1874, No. 2145.

Referred to the President of the Cochin Municipality, who will request the Commissioners to reconsider the matter with reference to the views of the Director of Public Instruction.
