No. 197. Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Ootacamund, 15th December 1874, No. 86 :—

Government in their Order, No. 1471, of the 1st September 1874, sanctioned a grant of Rupees 1,600 for "excavating a plateau and forming a road round the Breeks' Memorial School and approach and steps to the Post-office," and directed that provision be made in the Provincial Budget of 1875-76.

2. I have the honor to transmit, for the favorable consideration of Government, copy of a resolution of the Municipal Commissioners of Ootacamund, in which they request that, at least, a moiety of the amount may be placed at their disposal during the current year. The grounds of the application are set forth in the Honorary Secretary's letter of the 4th instant (copy enclosed), which I fully endorse.

From H. B. GRIGG, Esq., Honorary Secretary of the Municipal Commission, Ootacamund, to J. R. COCKERELL, Esq., President of the Municipal Commission, Ootacamund, dated Ootacamund, 4th December 1874, No. 214.

I have the honor, in forwarding the accompanying resolution of the Municipal Commissioners, to state that the Commissioners consider it highly desirable that the work of improving the Commissioner's hill should be begun during the current year, if it is within the power of Government to supply a portion of the funds at an earlier date than stated in the order. The hill is now a disfigurement to the station. Unless the work is begun soon there will be no time to get it into decent order before the next monsoon, and thus a whole year will be lost for planting. If, however, a portion of the funds are granted now, the hill can be made sightly before the arrival of the Government on the Hills next year.

No. 214.

The undersigned has the honor to forward the following extract from Minutes of the Meeting held on the 28th November 1874 for your information.
