No. 220. Read the following letter from E. B. POWELL, Esq., Director of Public Instruction, to T. MOSS, Esq., Controller of Public Works Accounts, dated Madras, 16th November 1874, No. 2084 :—

I have the honor to forward, herewith, the Budget Estimate of the Civil Engineering College for the official year 1875-76.

No. 221. ORDER THEREON, 28th December 1874, No. 2163.

The Budget Estimate of the Civil Engineering College for 1875-76 shows that the receipts from "fees and contributions" are estimated at Rupees 5,000, and the charges at Rupees 46,482.

2. The receipts are of the same amount as the estimate for 1874-75, but slightly exceed the actuals (Rupees 4,863) for 1873-74.

3. The charges exceed both the actuals for 1873-74 and the grant for 1874-75 by Rupees 9,455 and Rupees 5,152, respectively. The chief cause of excess is the addition of Rupees 6,823 to the "Military allowance" of the Principal, who "has reached the grade of Lieutenant-Colonel."

4. Compared with the estimate for 1874-75, the estimate for 1875-76 shows reductions under the following heads, viz.:—

	RS.
Serjeant-Major's Staff pay, by...	360
Contingencies, by	2,315
Total...	2,675

On the other hand there is an increase under:—

	RS.
Servants, of	144
And purchase and repair of instruments, of	1,040
Total...	1,184

The increase under Servants ought to have been explained in the Remarks column of the estimate. Explanation should also have been given as regards the difference of Rupees 1,589 between the actuals and estimate under "Stipends."

5. The charge for the "purchase and repair of instruments" may, under the explanation given in paragraph 2 of the Principal's letter, dated 13th March 1874, No. 670, be fixed at Rupees 1,000. The library and prize allowances will be reduced from Rupees 800 to Rupees 600, the actuals for 1873-74 not having exceeded Rupees 455.

6. Making these reductions, the estimate of charges for 1875-76 will be fixed at Rupees 45,942, and that of receipts at Rupees 5,000.
