Municipal Elections.—Doubt having arisen as to the power of Government to sanction municipal grants for the municipal rate of pension, G.O. No. 1857, of 30th October last, is withdrawn.

Sec. 4. Licenses to be granted by the Municipal Comr. in the Town of Bombay, & by the Collr in the Mofussil

11. Selling persons without licenses.—
In first offence, fine 200 Rs.
In second & after ..... 500 Rs.
or
1 years simple imprisonment.

12. On failure to take out licenses, or refusal to produce it, fine 100 Rs.

13. Every person selling liquor to keep a register of sales.

14. No sale to be made on Sundays, Christmas Days, unless in pursuance of a written license from the Collr

15. Persons not to be sold liquor under 18. and so on.

I don't think we could want Surgeon Genl Balfour wants in the summary way he proposes. If it seems really necessary to interfere and restrict the sale of spirituous, intoxicating liquors when the Committee recommend we probably can do - vide para 7 of Genl Balfour's letter 6 Oct/74, No 460 - the only way would appear to be by bringing an act similar to the Bombay act VIII of 1866.

Sale of Powers in Municipalities.

Whether it has been decided in Council that Bye-laws to regulate the making &c. be sanctioned when desired by Municipalities, the Hon. Mr. Scott (Ottawa) suggested that perhaps, after all, the Municipalities have no powers under the Act to make Bye-laws on the subject.

2. This doubt has since struck me - It seems probable that the Hon. Mr. Scott is right, & that an Act like Bombay VIII '66 is required. There stands to be moved Resolutions that power be taken to declare in what places & Acts be in force, from time to time -
