No. 74. Read the following Proceedings of the Board of Revenue, dated 3rd February 1874, No. 714 (Miscellaneous) :—

Read the following letters :—

From H. E. SULLIVAN, Esq., Acting Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 1st December 1873, No. 503.

At the instance of Mr. Kough, the Acting Head Assistant Collector, I have the honour to recommend that the shed lately occupied by the office of the Deputy Tahsildar of Vanoor may be made over to the Local Fund Board, Cuddalore Circle, for the purpose of a chuttrum for travellers.

2. The village of Vanoor is situated midway between Pondicherry and Mylum, on the road from Tindevanum to Pondicherry, and is the principal halting-place for travellers on that road. There is no public accommodation at all in the village, and if the shed in question, which is of mud and thatched, be converted into a chuttrum (and it will be observed from the enclosed resolution that the Local Fund Board are willing to undertake its conservancy), it will supply a want which is now greatly felt by the public.

From the same Officer, dated 5th January 1874, No. 1.

With reference to your official memorandum, No. 1992, dated 20th December last, I have the honour to inform you that the shed therein referred to has been vacated in consequence of the new Cutcherry having been completed and handed over to the Revenue Department. The shed is not likely to be required for any Government purpose.

The Board resolve to recommend Government to give the shed at Vanoor, which was used as an office by the Deputy Tahsildar before his new Cutcherry was built, to the Cuddalore Local Fund Board for a chuttrum.
