MY LORD,—I forward, herewith, extract of a letter, dated 14th November 1873, received from Messrs. William Richards and Son, Average Adjusters, requesting certain information relative to the Government stores forwarded to Madras from the S.S. *Dhoolia*, ashore at Ras Ghareb, to enable them to make the usual adjustment, the matter having been placed in their hands for that purpose.

2. I request, therefore, that the information required may be furnished as early as possible for communication to Messrs. Richards.

3. "The Association for the Protection of Commercial Interests as respects Wrecked and Damaged Property" have been requested to instruct their Agent at Suez to return to this country the stamps shipped per S.S. *Dhoolia* and included in the packing account as it was considered that they might possibly be rendered fit for reissue.

The Governor in Council, Fort St. George.

EXTRACT.

The *Dhoolia* (S), bound from London to Colombo, Madras, and Calcutta, ashore at Ras Ghareb, in the Gulf of Suez, in September 1873.

This case having been placed in our hands for adjustment it will expedite the settlement of the matter if you will instruct the consignees at the various above-named ports to forward to you or to ourselves at the earliest moment the account sales or an estimate of the net value of the goods received by them.

The estimate should be based upon the market-value of the goods on arrival, allowance being made for any damage sustained, and should show all charges incurred on the goods, especially the payments made for freight from the place of wreck, and the amount paid to the Agents of the *Dhoolia* as a deposit to meet the salvage upon the property.
