Proceedings of the Madras Government, Financial Department, 9th February 1874.

No. 84. Read the following Proceedings of the Board of Revenue, dated 22nd January 1874, No. 104 :—

Read the following letter from W. D. HORSLEY, Esq., President of the Local Fund Boards, Cuddapah District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 9th December 1873, No. 550 :—

With reference to paragraph 4 of my predecessor's letter, No. 442, dated 29th October 1873, I have the honour to enclose copy of District Engineer's letter, No. 1733, dated 27th November 1873, with its enclosures, for constructing a road from Cuddapah to Vaimpally, and to request that the Board of Revenue will be good enough to accord their sanction to the estimate.

Enclosure No. 1.

From G. S. SAGE, Esq., District Engineer, to W. D. HORSLEY, Esq., President of the Local Fund Boards, Cuddapah, dated Rajampett, 27th November 1873, No. 1733.

In the Cuddapah Circle Budget for 1874-75, a sum of Rupees 24,000 is allowed, under head New Works, for completing road from Cuddapah to Vaimpally. I have the honour to enclose an estimate, amounting to Rupees 11,940, for the purpose, explaining that this does not include masonry works, of which many are required, and I should like to see the sites myself before sending in plans and estimates; further, I would observe that, if the whole of estimate now submitted is carried out next year, it is as much as we shall be able to do, I think. The whole length of road is 26 miles, 250 yards, of which 14·587 are made, leaving 10 miles 1,423 yards to complete road.

One Estimate and one Abstract Estimate.

2. I will take an early opportunity of inspecting the line of road and sending you an estimate for the necessary masonry works.

(True Copy.)

(Signed) A. G. R. ATKINSON,
Vice-President, for President.

Enclosures Nos. 2 and 3.—Estimates.

The estimate for completing the unmade portion of the road from Cuddapah to Vaimpally, 10 miles, 1,423 yards, at a cost of Rupees 11,940, will be submitted for the sanction of Government.

2. It is observed that this estimate does not provide for bridges or other masonry works.

3. The President should have given a full explanation of the necessity for this work (Rule XXX., Clause 10), but there can be no doubt on this point. Vaimpally is on the way from Cuddapah to Pulivendla, and 14 miles of the road are made already.

Secretary.
