No. 101. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 8th June 1873, No. 1359:—

At the request of the Board of Revenue I have the honour to submit Proceedings of that Body, No. 443, of the 24th March last.

2. I am of opinion that the grant made to the Narraindevarkerry Union School or any other similarly situated institution should not be paid in full unless appropriate teachers are employed under sanction from this office.

3. In schools under the management of Local Fund Boards teachers are changed without reference to this office. Perhaps generally it would be excessively difficult to order matters otherwise; but I do not think such a course should be permitted when grants are drawn from Provincial Funds.

4. I regret the delay which has occurred in submitting the Proceedings of the Revenue Board.

Proceedings of the Board of Revenue, dated 24th March 1873, No. 443.

Read the following letter from J. H. MASTER, Esq., Acting Collector of Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Tadpatry, 27th February 1873, No. 51 :—

I have the honour, with reference to the Proceedings of Government, Financial No. 118, dated the 22nd January, communicated with Board's endorsement dated the 15th February 1873, to state although in some of the Unions the receipts as per revised list will not suffice the total receipts of the five Unions in question are amply sufficient.

2. I beg to enclose a statement exhibiting the above result.

3. Pending the Board's further instructions the revised notice will not be published.

ENCLOSURE No. 1.—Statement.

The President is in error in supposing, as he seems to do, that the surplus of one Union can be appropriated to meet a deficit in another.

2. The statement submitted shows deficits in two Unions, Narraindevarkerry and Kudlighi. The former, Rupees 296, is owing, in great part, to the reduction of the Government grant from Rupees 228 to Rupees 72. The Board doubt whether this reduction is in accordance with the intention of Government. In G. O., 17th August 1871, it is declared that salary grants to Rate Schools would be continued at amounts not exceeding those drawn. If the grant is not to be increased owing to changes in the staff it is fair to argue that it is not to be diminished for the same cause. The point will be submitted for the orders of Government through the Director of Public Instruction.

3. The deficit in Kudlighi amounts to Rupees 225 ; but, as both of the schools in question were formerly Rate Schools, the Board authorize the publication of the notices. The deficits, if they turn out to be real, can be met from the General Fund.
