Proceedings of the Madras Government, Financial Department,

13th February 1874.

No. 111. Read the following Proceedings of the Board of Revenue, dated 29th January 1874, No. 593 (Miscellaneous):—

Read the following letter from Lieutenant-Colonel W. T. F. FAREWELL, R.E., Inspecting Engineer for Ports and Communications, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chepauk, 14th January 1874, No. 479—57:—

I have the honour, as requested by the President of the Local Fund Board, and the District Engineer, South Arcot, to forward plans, estimate, &c., noted in the margin, for the construction of a bridge of ten arches of fifty feet span each over the Manimucktavady near Virdachellam, in the South Arcot District, amounting to Rupees 55,700, together with my note on the subject.

Enclosures.

One Note by Inspecting Engineer.
One Plan of Bridge.
One Survey.
One Section.
One Skeleton Map.
One Plan of Centrings.
One Abstract Estimate.
One Specification.
One copy of Register of Rainfall for 1872.
One letter from the President of Local Fund Boards, to the Board of Revenue, No. 362, dated 2nd October 1873, with its enclosures.
One letter from the District Engineer, South Arcot, No. 122, dated 7th October 1873, to the Inspecting Engineer for Ports and Communications.
One letter from the District Engineer, South Arcot, No. 168, dated 25th November 1873, to the Inspecting Engineer for Ports and Communication.

The estimate for building a bridge across the Manimucktavady, at Virdachellam, at a cost of Rupees 55,700, will be submitted for the orders of Government.

2. The Inspecting Engineer for Ports and Communications recommends that the foundation wells should be sunk deeper, and calculates the additional expense at Rupees 6,684. Subject to this modification, the Board think the estimate should be sanctioned.

3. The river is the only unbridged river between Virdachellam and Cuddalore, and the bridge will connect the offices of the Sub-Collector and the Range Officer with the town, which is on the other side of the river.
