To

The Chief Secretary to Government
Financial Department

Sir,

In para 2 of G. O. No 1 of 8th January 1874, the Right Honorable the Governor in Council ordered me to consider and report, whether the requirements of the South Canara District can be met from the surplus of Hospital Apprentices, and if so, what charge would be entailed on the Local Fund for this purpose.

2. I have the honor to report, that there are now employed in the South Canara District four 3rd Class Hospital Assistants, at an annual charge

charge of Rupees 1,200, and that the num-
-bers of Hospital Apprentices is
sufficiently large to allow of the relief
of the 4 Hospital Assistants,
limit, as will be seen by the
margin, the annual salaries
of 4 Hospital Apprentices
amount to Rupees 3,596, being Rupees 2,396
in excess of what the 4 Hospital Assistants
are now costing.

Cost of 4 Hospital Apprentices

Pay at Rupees 60 × 12 × 4 = Rupees 2,880
Annuity at 15 × 12 × 4 = " 576
Bedding and Clothing allowance 35 × 4 = 140
3,596

3. I beg to mention that, with a view
to give effect to the orders of Government
in G. O. No. 960 of 17th September last, I,
last month, sent a Circular letter to all
the Municipalities and Local Funds, re-
-questing the favor of information as to
their funds, and asking whether there
were any special circumstances for me
to consider. I beg to attach a copy of that
Circular letter, to which I expect daily replies,
which I will at once submit to Government.

I have the honor to be
Sir
Your most obed. Servt.
