Proceedings of the Madras Government, Financial Department,
14th February 1874.

No. 126. Read the following letter from the Superintendent, Revenue Survey, to D. F. CARMICHAEL, Esq., Secretary to Government, Revenue Department, Fort St. George, dated Soamwarpet, 31st January 1874, No. 291—10:—

In G.O., as per margin, the Proceedings of the Madras Government in the Financial Department, No. 45, of the 13th instant, reviewing the Civil Budget Estimate for 1874-75, has been communicated to me.

No. 115, of 21st January 1874.

2. From the wording of paragrah 21, it would appear that the estimate for the Central Office, or as it is there called "Revenue Surveys," but which must be meant as the Central Office from the amount being the same, viz., Rupees 65,200, has been understood as separate from that of the Survey Establishment, whereas it has been included therein.

3. The estimate for the Central Office is thus subjected to a reduction of Rupees 5,200, and that of the Survey Establishment, or as it is called "Demarcation Survey" in the above-mentioned paragraph, which includes the former, to a further reduction of Rupees 20,000, making a total, as per paragraph 40, of 25,200 Rupees.

4. The estimate for the Central Office has thus as it were undergone retrenchment twice over.

5. In G.O., No. 1272, of 19th November 1873, the Budget allotment was passed for the Central Office at Rupees 64,800, and District Establishment, at Rupees 6,35,200, making a total of Rupees 7,00,000 for 1874-75.

6. I have the honour to request that I may be favoured with instructions as to the exact amount granted for the Revenue Survey Department for 1874-75.

Transferred to the Financial Department.
