Proceedings of the Madras Government, Financial Department, 17th February 1874.

No. 132. Read the following Proceedings of the Board of Revenue, dated 29th January 1874, No. 586 (Miscellaneous):—

Read the following letter from the Hon. D. ARBUTHNOTT, President of the Local Fund Boards, Tanjore District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Tanjore, 16th December 1873, No. 447:—

I have the honour to report that the Local Fund Board of the Tanjore Circle desire that the management of the Kalliyanamahal Chuttrum at Trivada in this District, which is now under Government, should be transferred to them under Section 11 of the Local Fund Act.

2. The chuttrum was originally attached to the Kalliyanamahal institution, or seraglio of His Highness the late Rajah Serfoji of Tanjore, and remained till the year 1869 under the management of one Ladu Bayi, the head of the zenana. She died on the 28th February 1869, and the then Collector was authorized by Government to take charge of it, together with its endowment, under Regulation VII. of 1817.

3. After a great deal of correspondence, as per Government Orders marginally noted, an arrangement was entered into with the heir and grandson of Ladu Bayi, by which he agreed to resign and did resign all claims to participation in the enjoyment and management of the property left by Rajah Serfoji for the support of the chuttrum. It was further agreed with the surviving women of the zenana, of whom there are at present nine in number, that they should each receive out of the revenue of the endowment a monthly allowance of Rupees 50 for their maintenance.

Do. 23rd January 1872, No. 32.
Do. 5th April 1872, No. 135.

4. The endowment placed under the management of Government consists of fifty-five Velis of nunjah and punjah land, and Government promissory notes to the amount of Rupees 1,88,000. The average income from the landed property amounts to about Rupees 9,500, and the interest on promissory notes comes to Rupees 7,520, making a total of about Rupees 17,000.

5. The allowances to the nine surviving women of the zenana, above adverted to, amounting to Rupees 5,400, form a charge on the endowment. The allowances will, however, cease on the death of these women, and they are now far advanced in years.

6. In accordance with the orders noted in the margin, the other endowed chuttrums under the management of Government have been made over to the Local Fund Boards, and the Kalliyanamahal Chuttrum was not included in the list submitted to the Board on that occasion, as the arrangements for taking over its endowment had not then been finally concluded.

O.O., 1st November 1872, No. 1493, communicated in Board's Proceedings, 13th November 1872, No. 2200.

7. I beg to recommend that the transfer of the management of the chuttrum to the Local Fund Board of the Tanjore Circle may be sanctioned from 1874-75.

8. In anticipation of sanction being accorded, the receipts and expenditure on account of this chuttrum have been included in the Budget Estimates of the Local Funds of the Tanjore Circle for 1874-75.

Submitted for the favourable consideration of Government.

2. The income of the chuttrum is very large, but there is nothing in the papers cited by the Collector which suggests a reason for departing from the general principle that these institutions should be managed by Local fund Boards.
